

COVER LETTER

I am writing to express my interest in the **FLUTTER DEVELOPER** position that you have posted. I believe that my experience and skills make me a strong candidate for this position.

I have been working as a Mobile App Developer for the past 6+ years, and during that time I have developed a strong understanding of the iOS and Android platforms. I am well-versed in using various programming languages such as Javascript and its frameworks, nodejs and its middlewares, database such as MangoDb, SQL and PostgreSQL and I have experience with both native and hybrid app development. I am also familiar with using various software development tools and frameworks such as React Native and Android Studio.

My core strengths include being able to quickly learn new technologies, being able to work independently or as part of a team, and being able to communicate effectively with both technical and non-technical people. I am also skilled at troubleshooting bugs and finding solutions to difficult problems.

I am highly motivated and results-oriented individual, and I have a proven track record of success in this field. I have a strong understanding of the importance of meeting deadlines and delivering high-quality products. I am also a team player and I work well with others.
